Compatible USB Device List for CLP-430/440/470/S406/S408/465GP/480, P-255 (As of Mar. 2021)

Yamaha have tested the devices listed below and believe them to work correctly with this instrument.

Please note that these devices might be updated and new versions released which may stop them from working correctly with this product.

For more information on these devices including availability, please consult the device manufacturer.
